Assessment rationale

The assessment is designed to give students the opportunity to develop skills in the reading of artworks and visual material, to develop contextual arguments, and to relate primary and secondary resources. The essay aims to enable them to produce a researched and academically developed piece of work and to enable them to develop their analytical and reflective skills.

Assessment criteria

The assignments are assessed on the ability of the student to discuss a range of material, to reflect upon their responses to individual works of art, to contextualise the examination of visual material to cultural and historical contexts, to develop a coherent argument.
